

FlexiDraft™ COOLER

# UNDERCOUNTER 30

DEDICATED TO  
DRAFT QUALITY

## FlexiDraft™ COOLER

# UNDERCOUNTER 30

### INSIGHT

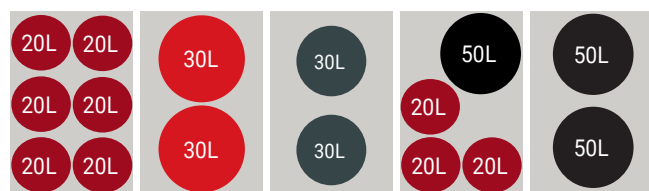

The UNDERCOUNTER 30 cooler is made for Micro Matic by a leading beer industry cooler manufacturer specifically to suit the FlexiDraft™ concept.

FlexiDraft™ is a concept targeted to provide a cost effective solution for the dispense of draught beers, ciders and wines in small and medium size outlets.

UNDERCOUNTER 30 is easy to install (Plug & Play) and is sized to suit the use of industry standard sized 20 litre, 30 litre and 50 litre kegs.

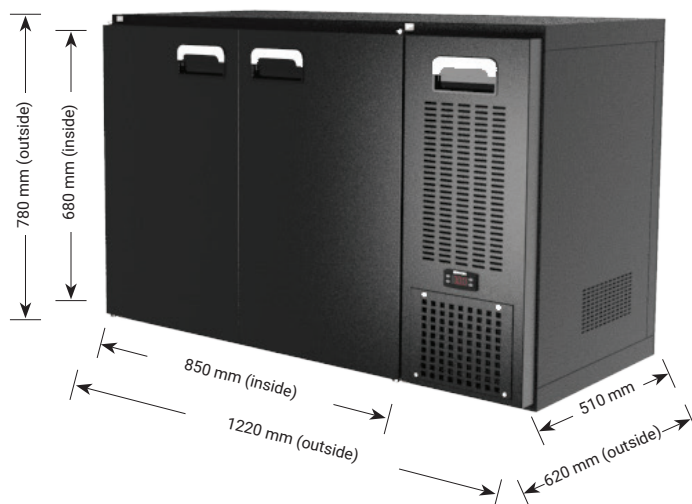

FlexiDraft™ UNDERCOUNTER 30 can be specified with 1 to 4 fonts.
