

DISPENSE HEAD

KEYKEG

**NEW**  
Dispense Head  
for KeyKeg

## DISPENSE HEAD

# DISPENSE HEAD FOR KEYKEG WITH INNOVATIVE DEGASSING FEATURE

We have in close co-operation with KeyKeg developed a new dispense head for the one-way keg which makes it even safer, quicker and more convenient for you to use KeyKeg.

- **Convenient** in use, degassing function integrated
- **Safe** in use, PRV function integrated (4.1 bar/60 PSI)
- **Quick** in use, degassing of empty keg takes only 20 sec.
- **Hygienic**, no beer splash
- **No special tool** needed for degassing the empty keg

Ready to use

Integrated degassing function

No extra tool needed

## DISPENSE HEAD
